luke III. kat.: Ražanj, Obonjan, Jadrija, Zablacé

1. Pristojba za vez uključuje korištenje lučke infrastrukture i suprastrukture, preuzimanje komunalnog otpada-smeća u manjim količinama, te korištenje struje do 5 kW i vode do 1 m³. Ograničenja isporuke struje i vode ne povlači za sobom promjenu cijena. Dodatna korištenja struje, vode i prihvata veće količine odvoza komunalnog otpada naplatit će se prema Pravilniku. Plovila na vezovima s mjernim satovima plaćaju prema izmjerenoj potrošnji.
Potrošnja na vezovima bez mogućnosti mjerenja potrošnje vode i struje obračunavat će se prema dužini plovila po danu korištenja.
2. Navedene pristojbe za vez plaćaju plovni objekti u punom iznosu bez obzira na odobreni način veza, te da li su vezani uz obalu ili bokom na drugi plovni objekt.
3. Katamarani i trimarani plaćaju +50% pristojbi za vez.
4. Korisnik obale obavezan je nadoknaditi štetu pokidanog veznog sustava u vrijednosti od 100 € u kunskoj protuvrijednosti.
5. Boravišnu pristojbu plaćaju nautičari po osobi / po danu u skladu s važećim tarifama pojedinih općina i gradova.
6. Pristojbe za vez se plaćaju temeljem dužine plovila preko svega. Lučka uprava zadržava pravo provjere dužine. U slučaju nesklada dimenzija plovila Lučka uprava će obračunati cijene prema promjerom utvrđenim stvarnim dimenzijama. Pomoćna plovila koja koriste zaseban vez naplaćuju se u skladu sa cjenikom.
7. Pristojba plaćena za dnevni vez traje do 12.00 sati sljedećeg dana. Nakon 12.00 naplaćuje se vez za slijedeći dan.
